

SPACEWELL

A NEMETSCHek COMPANY

SERVICE PROVIDER SOLUTIONS FOR THE POST-PANDEMIC OFFICE

Immediate Support in the Crisis

How can we **keep service providers safe** and how do we help them **work more efficiently** as they help protect others?

STREAMLINE WORK ORDERS

Save time, effort, & minimize risk

EASY-TO-USE APPS

Break down tasks, maintain code compliance, facilitate training, & engage users

CUSTOMIZATION & CONFIGURATION

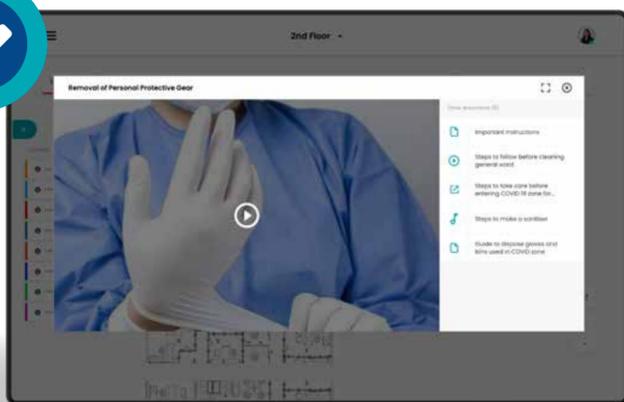

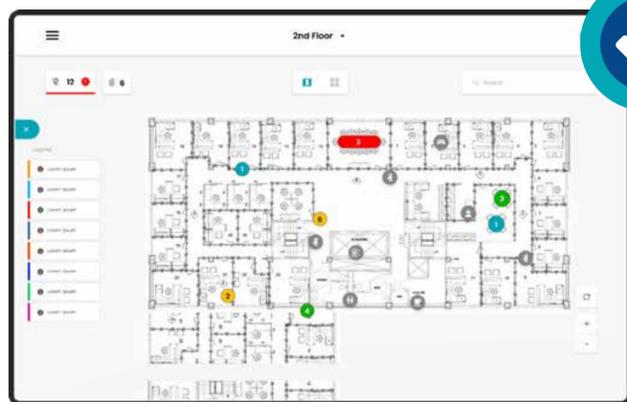

Tailor work order triggers & instructions to different spaces

SAFETY GUIDANCE

Warning staff of high-risk areas with reminders about extra precautions

Future-Proofing Service Delivery

How can we help service providers **adapt to an evolving office**?

SMART WORK ORDER TRIGGERS

Leverage sensor data to

- ✓ Trigger work orders for faster responses & satisfied customers
- ✓ Target services in offices with more occupancy variation due to WFH

BIG DATA SOLUTIONS

Over time, combine sensor data with AI and machine learning to move towards predictive maintenance

LET US HELP.
